Sir,

I have the honor to state that the Amildar of Sagar reports that at present the street-refuse of the town is being removed daily by means of wheel-barrows As the refuse has to be removed far away from the town, it is found impossible to remove it by means of Wheel-barrows and that the applica-

system of removing refuse by hired Cart may be introduced The subject was placed before the meeting of the Municipal Board of Sagar held on the 18th February 1913 The Board resolved that a Cart might be hired for removing the street refuse instead of removing it by Wheelbarrows And that the Cost of here about Rs 30/- per mensem might be included in the Budget Estimate of 1913-1914 Extract of Board's resolution is herewith submitted for information

I request that sanction of Government may kindly be obtained for hiring a Cart at a Cost of Rs 30/- per mensem or Rs 360/- a year for the
